

REMARKS

The above-identified patent application has been amended and Applicants respectfully request that the application be reconsidered and again examined.

The above-identified patent application has been amended by Applicants in order to correct an inadvertent transposition in the application no. in the priority claim to the parent case, Application No. 09/362,976, entitled Semiconductor Structures And Manufacturing Methods, filed on July 28, 1999.

Another version of the replacement section(s), on a page separate from the amendment, marked up to show all changes relative to the previous version of the section(s), is enclosed.

The Examiner is respectfully invited to telephone the undersigning attorney if there any questions regarding this Amendment or this application. The Assistant Commissioner is hereby authorized to charge payment of any additional fees associated with this communication or credit any overpayment to Deposit Account No. 50-0845.

Respectfully submitted,

Dated: 6/15/02
